

10 PC COMBINATION WRENCH SET WITH RACK Réf.: 9000M10001

Caracteristics

8-10-11-12-13-14-16-17-18-19 mm. Supplied with storage holder, for keys that are always neat and tidy. Inventory at a glance and quick wrench selection. Compact design fits easily into a toolbox or pocket. COMBINATION WRENCHES: chromium-vanadium alloyed forged steel. Controlled heat treatment gives it the hardness to withstand heavy use. Wrench openings are broached, a technology that produces highly precise dimensions and a high-quality surface finish. The profile of the polygonal heads has been specially designed to avoid damaging the corners of the nuts. When force is applied, the pressure is not exerted on the corners but on the sides of the nut. The strength of Mob wrenches far exceeds ISO standard specifications. Strength far superior to the standard. User-friendliness: ergonomic, non-sharp wrench body for a secure grip. Reliefs and soft markings made by cold forging for tactile comfort and easy cleaning. 30° pick-up angle. 15° inclination for use in tight spaces. NF ISO 1711-3318-691 / DIN 899-3113. Made in our factories.
