

ADJUSTABLE WIRE STRIPPER ON CARD Réf.: 9303161401

Characteristics

Sleeve ergonomics: marked guard for improved grip, bimaterial polypropylene and neoprene for grip. The sleeves are resistant to the products used in industry: hydrocarbons, acetone, chlorotene, etc. Carpal tunnel syndrome is a major MSD. The area is therefore not spatulated, but the length of the sleeve is increased and the carpal tunnel zone is simply avoided by refining the pliers at the end. FINISH Premium range pliers feature a high-end chrome finish. Chrome plating increases surface hardness and protects against corrosion.
